With its architectural form and powerful profile, this armchair offers a deep, sheltering embrace. Cooper has lean lines, generous proportions, and a compact scale that lives well in limited space. Streamlined to cradle you comfortably, it can reinforce a modern interior, play counterpoint to a room of soft curves, or punch up more traditional decor as a high-contrast accent.

MODERN GEOMETRY

A transitional, wraparound back with a bold, graphical look.

TURN HEADS

The swivel design makes this a great conversation piece.

DURABLE CONSTRUCTION

A birch frame, metal base, and high-performance fabric.
